2. Introduce the Author (tell some other titles they've written or you've read, you can also tell some biographical information)
3. Overview of the story (don't tell the ending; remember the purpose is to get people to read the book). The overview should include:
 - ✓ Characters
 - ✓ Setting
 - ✓ Problem
 - ✓ Events
4. Your Recommendation – time to share your opinion
5. Don't forget some type of prop(s) and/or activity
6. The written portion is to be handed in.
7. You can add a read-a-loud section. Keep in mind it should be purposeful (there should be a reason you've chosen the section). It should not be more than a page.
