Dear Parents/Guardians,

Next week I will be out on Monday for a funeral and Tuesday to meet with Senator Ritchie and Assemblymen Barclay and Oaks in Albany. Mrs. Burrige (Miss Tremblay) will be in both days for me. I expect things will go smoothly in my absence as she is very competent.

Next Friday there is no school for the students; it's a Superintendent's Conference Day to provide professional development for all staff. This leads to an extended Memorial Day weekend. The schools will be closed Monday and Tuesday (5/28 and 5/29).

Just a heads up, the sixth grade trip to Seabreeze is scheduled for Tuesday, June 12 and the Sixth Grade Spotlight Night will be Thursday, June 14.

I haven't from anyone about the free Syracuse Chiefs tickets for the Monday, June 11 game against Lehigh Valley. Please let me know asap if you would like tickets for the game so I can order them.

For information and updates you can access my web page by going to the district homepage, scrolling down the left column of Quick Links and then click on "Teacher Pages," type my name and follow the link. As always, I'm available through my school e-mail, rsprague@oswego.org or voicemail (call the school at 341-2500).

Have a great week-end!

Thank you,

Roger M. Sprague
