Kindergarten Dismissal for the School year 2024-2025

Welcome to Kingsford Park School! Your Kindergarten student(s) will have a few options for how they may be released at the end of their school day. As your Kindergartener gets used to their new routine of their school day, dismissal to go home can oftentimes be scary and confusing to your child, especially if how they get to school, will be different from their afternoon "to go home" procedure. As classroom teachers, it is our job to send your child off in the right direction to get home safely. We are asking for your help in completing and returning this form at Kindergarten orientation, or by the first day of school. We also understand that changes for dismissal may occur throughout the school year. Any changes in dismissal that do occur, please notify the office as well as your child's teacher and provide a written note for those changes. Please look over your options and mark how your child(ren) will be getting home from their Kindergarten school day. We appreciate your assistance in providing us with the appropriate information.
